What are the primary objective(s) or goals of this program? Please distinguish between the long-term mission of the program and the current annual objectives of the program. (The goals or objectives should be in terms that can be quantified, evaluated and assessed.) (MAX 3500 characters)

Long-term Mission:

The goal of the program is to ensure that the teacher supply reimbursement funds are paid in accordance with the proviso and to districts in adequate time so that teachers are able to purchase needed supplies and materials before students report on the first day of class.

Current Annual Goals:

The mission is to provide \$250 per qualifying teacher, reimbursement for out-of-pocket expenses related to purchases for the classroom, in a timely manner.

In the prior fiscal year, what primary program activities or processes were conducted to facilitate the program's performance in reaching the objective(s) as provided in question 7? What, if any, change in processes or activities are planned for the current fiscal year? (Examples of program processes would be: training provided, recruiting efforts made, technical assistance services, monitoring services, etc. Answers should be specific to the process undertaken at the state level to support the objectives of the program and should be quantifiable Please include any professional development services provided.)(MAX: 5000 characters)

In compliance with proviso 1A.33, teacher supply funds were paid to qualifying teachers on or before July 15. Districts provided funding to teachers "on the first day, by contract, are required to be in attendance at school"

The Professional Certified Staff (PCS) system is used to verify and trace eligible staff as outlined in the proviso.

In the prior fiscal year and using the most recent data available, what were the direct products and services (outputs) delivered by this program? (Examples of program outputs would be: number of teachers attending professional development seminars, number of AP exams given and students taking AP classes, number of students served in the program, etc.)(MAX: 5000 characters)

A reconciliation of all teacher supply funding is completed after November 30 of the fiscal year. This method ensures that the correct number of eligible personnel are reimbursed according to the guidelines.

In FY 2006-07, approximately 48,200 teachers were funded for teacher supply reimbursement. This included all school districts, vocational centers, special schools, and both governor schools.

What are the outcomes or results of this program? (Program outcomes can be both quantitative and qualitative and should address the program's objectives. Please use the most recent data available. Examples of outcomes would be: results of surveys, test data, increase in minority participation, reduction in achievement gaps, teacher loans awarded, textbooks purchased, etc.)(MAX: 5000 characters)

Teachers received funds to pay for classroom supplies and materials on the first day of reporting for work in the 2006-07 school year.
